For immediate release

INTERMAT ASEAN and CONCRETE Asia - transforming the Thai construction industry in the 4.0 era

Bangkok, Thailand, 7 August 2018 – Scheduled to take place in Bangkok, Thailand, from 6 to 8 September 2018, INTERMAT ASEAN 2018 (“INTERMAT”) and Concrete Asia 2018 are the region’s trade shows for construction, infrastructure and concrete sectors. At the press conference today, Ms. Amporn Chatbusayamas, Assistant to Permanent Secretary, Ministry of Transport, shared the investment plan of the Ministry of Transport for the construction industry. This included plans for building and upgrading transport networks to meet the country’s needs for the next five years.

The joint panel discussion - *The Challenges of the Thai Construction Industry in Version 4.0*, also held at the press conference, included; Dr. Sathian Charoenrien, Acting Chief Engineer, Department of Public Works and Town and Country Planning, Mr. Ekarin Lueangvilai, Chief of Transport System Research and Development Section, Expressway Authority of Thailand , the representation from Department of Highways and Mr. Piyadit Atsavasirisuk, Board Member, Thai Contractors Association under H.M. the King’s Patronage

Apart from sharing their insights about the challenges, they also gave a sneak preview of the activities that they will be featuring at INTERMAT and Concrete Asia. Projects pertaining to the current and future infrastructure network in Thailand will be highlighted, with exhibits from:

- Department of Public Works and Town & Country Planning
- Department of Highways
- Expressway Authority of Thailand
- Royal Irrigation Department

Mr. Loy Joon How, General Manager, IMPACT Exhibition Management Co., Ltd, shared, “ According to statistics from BCI Media Group, the construction market is worth over US\$250 billion buoyed by rapid infrastructure developments. INTERMAT ASEAN and Concrete Asia are strategically organized to provide business opportunities for the region. The participation of more than 500 exhibiting companies and brands from 14 countries reflects the market confidence that the industry has for the exhibitions.”

Content-focused seminars

“To encourage the confidence of the industry and to participate more about Thailand’s market, as a co-host of INTERMAT ASEAN 2018, the Thai Contractors Association under H.M. the King’s Patronage (“TCA”) is hosting the Contractors’ Talk and the ASEAN Constructors Federation’s Annual General Meeting at

Strengthening Thailand as a construction hub of Southeast Asia

Mr. Chiruit Isarangkun Na Ayuthaya, President, Thailand Convention & Exhibition Bureau (“TCEB”), said that “the INTERMAT ASEAN and Concrete Asia exhibitions coming together is responding to the launch of large scale infrastructures by countries in the region. Thailand will undoubtedly soon be an important transport center while these two construction related exhibitions further strengthen our position. TCEB has supported the exhibitions since their inception and is confident that both exhibitions will further contribute to a sustainable long-term development Asia's infrastructure construction and concrete industries.
